ACTUARIAL

Our bursary programme provides qualifying candidates an opportunity to focus on their studies without the need to worry about the financial burden of university learning.

On this program you are thus well positioned to perform better and to achieve your ultimate goal of becoming a qualified actuary.

Are you a young, bright South African citizen with a **passion for numbers**?

Are you already in university studying towards a Bachelor's degree in Actuarial Science?

Then look no further. Under the Momentum Metropolitan Actuarial Science Bursary Programme, not only will you receive comprehensive financial assistance, but you also have access to study support from qualified actuaries.

- ✓ Annual registration costs
- ✓ Tuition fees paid*
- ✓ Accommodation & meals
- ✓ Prescribed text book allowance
- ✓ A travel allowance where applicable
- ✓ Pocket money allowance
- ✓ Academic & social support
 - Mentor support
 - Opportunity for vacation work

REQUIREMENTS

- 01 Motivation letter
- 02 Curriculum vitae
- 03 South African ID
- 04 Certified copy of latest academic transcript*

*Reviewed annually based on academic performance

*Successful completion of first-year actuarial studies with an average of at least 70%
